Summer 2013 Newsletter

Dear Neighbor,

Kudos!! The front entrance restoration was recognized by Clemson Extension and Charleston County at the 47th Annual Community Pride of Charleston Luncheon on May 17 with a Community Improvement Award.

Due to the bad weather on May 21, we postponed our spring get together until a later date. With the dog days of summer upon us, we'll look forward to our Fall annual meeting for the celebration, so stay tuned for more information in your mailbox.

Thank you for participating in the survey about the lantern replacements. Support was almost unanimous though there were concerns expressed about the lanterns being too small. Upon further inspection, the discounted lanterns would have been dwarfed by the large columns. We'll work to find an affordable alternative by year's end.

Our annual membership drive begins September 1. We hope you'll continue to be a part of making our community the best place to live! Be on the lookout for communication from your zone captains.

Thank you for your time and commitment!
